IMPORTANT NOTICE ABOUT "STUNT" DISEASE
Offers of Chrysanthemum cuttings in this catalogue are made without guarantee against any losses the buyer may incur as a result of the epidemic disease known as "Stunt". The cause of this disease is not known, and experiment stations working on the problem have not determined whether it is carried on the plants, or in the growing medium. Every effort is being made to deliver stock which is free from infection, but purchases must be made with the understanding that we assume no responsibility for losses which may result from the "Stunt" disease.

DISCLAIMER
We make no warranty, expressed or implied, as to kind, description, quality or productiveness of any stock and we will not be responsible for crop. We will not be responsible for any errors or omissions and in no event shall our liability for any claim of loss or damage due to any cause whatsoever be greater than the invoice value of the merchandise. This order, if accepted, is subject to pro-rata delivery if conditions in our sole judgment justify it, either on account of short crop, prior sale or for any other reason. We will not be responsible for delays, damages or loss in transit. Our liability ceases upon delivery to the common carrier. All orders subject to acceptance by home office.
